OBJECTIVE

Highly motivated and multi-faceted professional eager to re-enter the workforce after an extensive, but enriching, break to raise three children and serve as the sole caregiver for ailing parent. Eager to reignite my career and embrace new opportunities for growth and advancement. With a thirst to learn and a reputation for quickly grasping new concepts, I aim to utilize my innovative and positive attitude to design visually stunning and user-friendly deliverables that make a positive impact. Seeking a collaborative and inclusive work environment where I can leverage my prior experience and contribute to innovative solutions in the ever-evolving world of technology.

WORK EXPERIENCE

SELF EMPLOYED PART-TIME WORK

PIXEL STREET MEDIA LLC

AUG 2012 - PRESENT

OWNER - PRINCIPAL DEVELOPER / DESIGNER

Work with clients to determine their needs, understand their vision and gather requirements necessary to design, build and maintain their user-friendly, responsive, cross-browser compatible custom web site. Develop and deliver innovative, high-quality, web, digital media or print product(s) that exceed client expectations, resulting in increased customer engagements and sales. Provide web hosting and server maintenance, as needed.

ST. VINCENT DE PAUL CATHOLIC SCHOOL

JUN 2012 - MAY 2016

VOLUNTEER WORK

Conceptionalized, designed and developed, multiple print or digital graphic design projects, including Campus Map, Annual Reports, infographics, marketing materials, vector etc.

VP OF COMMUNICATIONS - PTO EXECUTIVE BOARD

Liason between school and PTO. Composed and reviewed all communication efforts from the PTO to the school and parish. Advisor to Newsletter, Yearbook and Room Mom Directors. Proofread and edited communication materials, as needed.

TIGER'S MOUTH NEWSLETTER DIRECTOR

Revamped school newsletter which resulted in increased readership, engagement and positive feedback. Collaborated with PTO members and school faculty for content copy and images. Photography and digital image editing. Graphic design and layout, implemented feedback revision, proofread designs and oversaw printing process via proofs to ensure color quality and consistency of final product.

SYSCO CORPORATION

JAN 2003 - JUN 2006

HRIS WEB ANALYST (FRONT END WEB DEVELOPER)

Development of company's robust database-driven benefits portal throughout SDLC, including analyzing business requirements, developing specifications, planning, coding, testing, implementation and quality assurance. Translated PR mockup designs into front-end code using HTML, CSS and JavaScript. Database queries and testing to ensure accurate output. Streamlined and debugged existing company web sites to be more user-friendly, improving site performance and user engagement. Analyzed user requirements, technical feasibility, researched options and implemented solutions.

THE FUJI BANK, LTD.
